Before you begin!

It's important your application is assessed under the correct program, or you may not be successful. To see which application form best aligns to your activity/project/event, and to understand what's required to successfully receive and acquit a funding application, [click here](#). Council's funding programs have separate application forms with individual guidelines for each program. This may mean you're required to provide additional detail or supporting information depending on which application form aligns with your activity/project/event.

If you're unsure if a Community Support Application Form is the right form for your activity/project, or you require assistance in aligning your activity/project with a funding program, contact Council on 131 872 and request to speak with a Community Development Officer.

Council staff involved with each of the funding programs are not technical specialists. If you experience technical difficulties (i.e. you can't submit the form), then you should make contact with the SmartyGrants help desk to help resolve your query.

E-mail: service@smartygrants.com.au Phone: (03) 9320 6888 Support Desk Hours: 9:00am - 5:00pm AEST, Mon - Fri.

Some other tips from our grants team:

1) Take a few minutes to become familiar with the entire form's contents. This will help provide a guide as to the length of time it may take to complete your application.

2) Make sure you know the grant program's closing time and due date. This will help avoid that last minute rush for responses and documents.

3) Please attach all required documentation directly to your application. If you approach a question, and you're not sure what's required in the response, our grants team recommend you make contact with the relevant Council officer before attempting to submit your application. The relevant officer is listed in the section below.

4) Review before you submit. Make sure to 'save progress' regularly as you may be logged out while your application sits idle. The application must be free of errors and omissions before you attempt to 'submit'. You should always 'review' before attempting to 'submit'.

Your application needs to include all of the required supporting documentation

This online form asks applicants to attach supporting documentation, including, but not limited to:

- recent financial bank statement, annual financial statement and audit report (documents prepared by an accountant) and constitution/aims and or model rules
- organisation legal status (Certificate of Incorporation, Letters Patent etc.)
- supplier quotes for each of the expenditure items for which Council funding is requested
- statement by a supplier. **Applicants are only required to complete and attach this statement if their organisation doesn't have an ABN**
- auspice partner details. **For applicant organisations who are not incorporated**

Due to the large volume of applications received, Council can't guarantee that information provided after submission will be uploaded to your application in time for it to be considered or reviewed by the assessment panel. This may affect the outcome of your submission. If you have a question regarding your organisation/group's eligibility, please contact Council's Grants and Sponsorship Officer on 07) 4688 6444 during business hours.

Previous success with Council's funding programs

The following question asks you to indicate if you've had previous success with Council's funding programs. i.e. grants and/or sponsorships. If your organisation/group hasn't successfully completed the acquittal process belonging to a previously completed activity/project/event, then *you can't continue this application*. Organisations/groups who are not sure if they've completed any prior grant acquittals will need to contact Council on 131 872 and speak with a Community Development Officer to confirm their organisation's acquittal status.

Organisations/groups, whose acquittals (connected to an active project/event) are NOT DUE FOR SUBMISSION at the time when a Council funding round opens, may proceed (If eligible) with an application.

For any previously received TRC funding, have you successfully completed the acquittal/reporting process? *

Your organisation's governing documents (or auspice partner's governing documents if being auspiced)

It's a requirement of the grants process for applicant organisations to provide documentation that demonstrates their functional nature. e.g. financial status and constitution/aims and/or model rules. If your organisation/group is unincorporated, you'll need to ensure the files uploaded belong to your auspice partner. Financial information provided will be held in strictest confidence and will only be accessed by persons authorised to do so.

To assist you to provide the required documents, you may find the following explanations helpful.

Most recent financial bank statement:

- A monthly statement. While transaction details may be redacted (i.e. obscured) this document should be able to identify an organisation's bank account name and the available balance of funds.

Most recent financial statement:

- An annual report (prepared following the end of each financial year) which outlines income and expenditure, balance sheet and/or notes to the financial statements/ depreciation etc.

Audit report:

- A document representing a true and fair view of an organisation's financial position and performance. The size of your organisation and its financial position (annual turnover) may mean an auditor's report ***isn't required***. You should check with an accountant, and if it's not a requirement, attach a short explanation signed by an accountant or your organisation's treasurer when uploading your financial statement.
