Before you begin!

It's important your application is assessed under the correct program, or you may not be successful. To see which application form best aligns to your activity/project/event, and to understand what's required to successfully receive and acquit a funding application, click here. Council's funding programs have separate application forms with individual guidelines for each program. This may mean you're required to provide additional detail or supporting information depending on which application form aligns with your activity/project/event. **If you're unsure if an Environment Grant Application Form is the right form for your activity/project, or you require assistance in aligning your activity/project with a funding program, contact Council on 131 872 and request to speak with a Community Development Officer.**

Top tips and previous Council grants

Council staff involved with each of the funding programs are not technical specialists. If you experience technical difficulties (i.e. you can't submit the form), then you should make contact with the SmartyGrants help desk to help resolve your query.

E-mail: service@smartygrants.com.au Phone: (03) 9320 6888 Support Desk Hours: 9:00am - 5:00pm AEST, Mon - Fri.

Some other tips from our grants team:

1) Take a few minutes to become familiar with the entire form's contents. This will help provide a guide as to the length of time it may take to complete your application.

2) Make sure you know the grant program's closing time and due date. This will help avoid that last minute rush for responses and documents.

3) Please attach all required documentation directly to your application. If you approach a question, and you're not sure what's required in the response, our grants team recommend you make contact with the relevant Council officer before attempting to submit your application. The relevant officer is listed in the section below.

4) Review before you submit. Make sure to 'save progress' regularly as you may be logged out while your application sits idle. The application must be free of errors and omissions before you attempt to 'submit'. You should always 'review' before attempting to 'submit'.

Your application needs to include all of the required supporting documentation

This online form asks applicants to attach supporting documentation, including, but not limited to:

- recent financial bank statement, annual financial statement and audit report (documents prepared by an accountant) and constitution/aims and or model rules

- organisation legal status (Certificate of Incorporation, Letters Patent etc.)

- supplier quotes for each of the expenditure items for which Council funding is requested

- statement by a supplier. **Applicants are only required to complete and attach this statement if their organisation doesn't have an ABN**

- auspice partner details. **For applicant organisations who are not incorporated**

Due to the large volume of applications received, Council can't guarantee that information provided after submission will be uploaded to your application in time for it to be considered or reviewed by the assessment panel. This may affect the outcome of your submission. If you have a question regarding your organisation/group's eligibility, please contact Council's Principal - Conservation and Pest Management during business hours on 131 872.

Previous success with Council's funding program

The following question asks you to indicate if you've had previous success with Council's funding programs. i.e. grants and/or sponsorships. If your organisation/group hasn't completed the acquittal process for a previous grant, you can't continue this application. Organisation/groups who aren't sure if they've completed any prior grant acquittals will need to contact Council on 131 872 and speak with an officer from the Community Development team to confirm their organisation's acquittal status. Funding can't be paid to any groups with (outstanding) acquittals belonging to completed activities/projects.

The **'Not yet due'** option should only by selected if your organisation/group is utilising pre-approved TRC funding for an activity/project already underway, and the acquittal is not yet due for submission. Applicants who qualify for this option may continue completing their application.

For any previously received TRC funding, have you completed the acquittal/ reportingprocess? *
